

18 RIGHTS EVERY CHILD SHOULD KNOW

This book has been specially made for

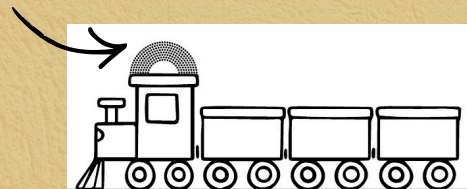

Nyaaya is a digital platform that provides simple, actionable, and free legal information that helps solve everyday legal problems, empowering citizens to become aware of their rights and seek justice for themselves.

Website: <https://nyaaya.org>.

Welcome to the colouring book that introduces you to your rainbow of rights! From home to school to the big wide world, these rights help you stay safe, happy, and heard. So grab your colors, turn each page bright!

Pssst, there's also a secret hiding on every page! Find the Nyaaya logo hidden in each picture, for an extra challenge!

For example: Look at the top of the train on page number two.

A Note for Parents and Teachers:

This coloring book introduces children to their rights in a fun, creative, and empowering way. Each page simplifies a core right drawn from child protection and welfare principles. The idea is to help children understand fairness, safety, and dignity in everyday life. As you guide them through the pages, encourage open conversations because learning about rights begins with being heard.
